

## Workshop Request Form

Please complete the form below within 2 weeks of your requested session date. Workshop availability depends on Public Educator capacity at the requested time. Amelia Rising will try their best to deliver a workshop within your needs but cannot guarantee sessions. Workshops are typically 1-1.5 hours in length. Shorter or longer sessions affect the content delivered.

While our workshops are free of charge for schools and community organizations, we appreciate donations to maintain our Public Education program. Donations are eligible for a charitable tax receipt. Suggested donation is \$50/hour.
